Since issuing the enclosed list of gladiolus we have added several varieties that you may be interested in and have sufficient stock to spare to the trade. They are listed at the 100 rate but you can have twenty-five at the same rate if you wish. We are trying to keep up to date on the better varieties that come out. You will note prices on these are lowered from other sheet, that were listed last season.

	No. 1	No. 2	No. 3	No. 4	No. 5
